Elite Personnel Chosen for Microsoft Windows 7 Pro Beta Test

Bethesda, Maryland (October 19, 2009) – Today, Elite Personnel announced that Elise Ambrose, President of Elite Personnel, has been invited by Microsoft to participate in the Microsoft Windows 7 Pro launch events being held in New York City on October 22, 2009. Ms. Ambrose, who will be attending the Keynote Presentation by Steve Ballmer, CEO of Microsoft, said, “It is an honor to have been selected to participate in the Windows 7 Pro beta test and a real tribute to the talented people who work at Elite to have been singled out by Microsoft for this significant product introduction.” Ambrose will be interviewed by members of the domestic and international press as part of the Microsoft launch events.

Elite, in conjunction with its Microsoft Partner District Computers of Silver Spring, MD, has been conducting the beta test for Microsoft’s new operating system, Windows 7 Pro since early 2009. Elite was one of only small group of companies worldwide to have been chosen and the staff at Elite, who test drove and evaluated the new software, was filmed at their Bethesda, Maryland offices for inclusion in Microsoft’s promotional materials and continuing product campaign.
